President – Aaron Blevins
Secretary – Rand (aka Randy) Bishop

New Section Markers:

This year we are trying out new colored, re-usable section markers that we hope will clear up a lot of confusion. We are adopting the same type of section markings used at National Events. Our hope is to make it faster and easier to remember where the splits go in a section. All input and suggestions are welcome.

Membership Dues:

Don't forget Dues are Dew.

Membership Drive:

Encourage someone to come out and ride with us. Young or old does not matter, Trials is for everyone.

INTA Membership ID Cards

Hopefully this year we will be able to issue INTA Membership ID Cards.

Website:

We will be adding more content to the website with current photos, videos and how to instruction.

INTA 2016 Awards Banquet:

Best Crash Award – went to Dad Gumm for a full back flip on his Gas Gas. We're sure glad he didn't get hurt.

He turned in an impressive card at Weston with a clean 3rd loop ! Not bad for a 78 year old.

Sportsman Award – went to our new President Aaron Blevins.

Aaron made it to every event this season riding Amateur class and winning Amateur Championship.

Best Event – we had a tie this year. Newport and Weston.

INTA Rules :

Rules are posted on the INTA website and printed copies will be available at registration for your consideration.
